Dear Sir:

Mr. John Reilly, the Treasurer of our Society, attended a meeting of the Numismatic and Antiquarian Society of Philadelphia, at which Mr. Howard Longstreth mentioned that you have on hand something like one hundred copies of the Catalogue of Mr. Bement's Collection, prepared by the late Dr. Comparette. If after having made such further distribution as you may desire, you still have copies on hand, may I say that we should be very glad to have you place them at the disposal of our Society as we should be in a position to place them in the hands of certain of our members who would appreciate them, or of young collectors who might not be able to purchase copies.

Very truly yours,

Secretary
